

Home Efficiency Rebates Plus Terms and Conditions

I _____, the participant, must review and agree to the following terms and conditions (the “**Terms and Conditions**”) for the Home Efficiency Rebate Plus program delivered by Enbridge Gas Inc. Please note, before agreeing to these Terms and Conditions, Enbridge Gas Inc. or Natural Resources Canada may change any term including the rebate amount without prior notice. The terms, including the full rebate amount, applicable to the participant will be those offered at the time of project completion and agreement to these Terms and Conditions. Full terms and conditions including eligibility criteria are available for review at enbridgegas.com/homerebateplus

IMPORTANT: Any false or misleading statement with respect to the application process and grant eligibility may result in ineligibility, application cancellation and/or revoking grant amounts. Participants are solely responsible for reviewing the eligibility criteria and are responsible for protecting themselves against fraud.

1. Disclosure; Consent To Use Information

As a participant in the Home Efficiency Rebate Plus program, I consent to the collection, use and disclosure of my personal information by Enbridge Gas Inc. and the affiliated registered energy advisor (“REA”) for the purposes of administering my participation in the program. Enbridge Gas Inc. may collect and use my personal information for the purposes of reporting on the program, determining eligibility for the program, sending follow-up surveys, conducting studies, audits, evaluations or other verifications related to this program and for such other purposes lawfully permitted by privacy laws. I further understand that the above information will also be shared with Natural Resources Canada. In connection with my participation in the Home Efficiency Rebate Plus program, I understand that Enbridge Gas Inc. may contact me directly, including by email or phone, for the above purposes. I understand that if I have any questions or to withdraw my consent, I can contact Enbridge Gas Inc. by mail: attention Privacy Officer at Enbridge Gas Inc., 500 Consumers Rd, North York ON, M2J 1P8.

Pursuant to Canada’s anti-spam legislation, Enbridge Gas Inc., hereby requests my express consent to contact me at the electronic address or phone number listed in this acknowledgement with information about future conservation programs, or additional Enbridge Gas Inc. programs and services such as paperless billing. By signing this document, I am confirming my consent. Enbridge Gas Inc. can be reached by mailing the Privacy Officer at address above.

2. Eligibility, Evaluation, Monitoring and Verification

As an eligible applicant to the Home Efficiency Rebate Plus program, and as a condition of receiving the rebate, I declare and attest to the following: I am eligible for a grant under Home Efficiency Rebate Plus program. The information that I am providing in the Application is true, accurate and complete. I acknowledge that it is an offence to knowingly make false or misleading statements. I acknowledge that incomplete Applications, including a failure to comply with Application requirements may delay the processing of the Application or render the Application ineligible for payment under the Home Efficiency Rebate Plus program.

As a participant, I agree upon request by Enbridge Gas Inc. and Natural Resources Canada or its authorised service organizations to participate in any survey, studies, audits, evaluations or verifications conducted in connection with the Home Efficiency Rebate Plus program, including for the purposes of the proper administration, other program participation (as noted in Section 6 below), monitoring and verification of these Terms and Conditions or evaluation of the program, and will provide to them reasonable access to participant records and facilities for such purposes. I agree to provide any additional requested information and supporting documents needed to evaluate the Application. The information that I am providing in the Application is true, accurate and complete.

3. Provision of Products and/or Services by Others

A registered energy advisor may offer, or refer me to contractors that can offer, energy efficiency products and/or services, including Qualified Measures. I understand and acknowledge that the provision and installation of these products and/or services is unrelated to the Home Efficiency Rebate Plus program and I am under no obligation to proceed/purchase the products or services offered by any REA or REA-referred contractor. Enbridge Gas Inc. and Natural Resources Canada are not affiliated with, nor endorse or recommend, any products and/or services offered by any REA or REA referred contractor. Additionally, Enbridge Gas Inc. and Natural Resources Canada do not make any warranty for the suitability and use of these products and or services, and shall not be held responsible for any claim, damage, direct or indirect, special, or consequential incurred by the use of the product and/or service offered by any REA or REA referred contractor.

4. Indemnity

As a participant in the Home Efficiency Rebate Plus program, I certify that I will: (i) indemnify and save harmless each of Enbridge Gas Inc. and Natural Resources Canada in delivering this program and their respective directors, officers and employees from any and all liability and all claims, losses, damages (including indirect or consequential damages), expenses and proceedings for personal injury (including death) or property damage of any person relating to, in connection with, resulting from, or arising out of the initiative or any other matter contemplated by these Terms and Conditions and (ii) hereby release and forever discharge Enbridge Gas Inc., and Natural Resources Canada from any and all manner of action and inaction, cause or causes of action, suits, debts, dues, sums of money, claims and demands whatsoever at law or in equity arising out of, or which are in any way related to, the initiative or any other matter contemplated by these Terms and Conditions.

5. Program Participation

I confirm that I have provided the REA information and program details that I participated or will participate from other government energy efficiency programs or similar programs for the same qualifying energy efficiency improvements for which I received or will receive rebates through.

As a participant, I agree that Enbridge Gas Inc. is entitled to claim the natural gas savings arising out of the Qualifying Measures that receive a rebate from Enbridge Gas Inc. for the purpose of reporting to the Ontario Energy Board.

I agree that Enbridge Gas Inc. can share the information I provide under this Home Efficiency Rebate Plus Home Efficiency Rebate Plus program with other organizations for purposes of determining my eligibility for a rebate.

6. Funding of the Home Efficiency Rebate Plus Program

I understand that this Home Efficiency Rebate Plus program is Federally funded by Natural Resources Canada and delivered with additional enhanced rebates provided by Enbridge Gas Inc to Ontario Enbridge Gas space heated customers.

7. Payment

I acknowledge that I am paying out of pocket for a pre-and post-audit and will be re-imbursed \$600 of that cost back only if I successfully complete the program with at least one eligible measure. Including the audit, the maximum amount of funding under this program is \$5,600 for Non-Enbridge Gas homes and \$10,600 for Enbridge Gas space heated homes, and that submission of this Application does not constitute a commitment on the part of Natural Resources Canada or Enbridge Gas Inc., to award funding. I acknowledge and agree that in the event that Enbridge Gas Inc. determines that the total funding for the evaluations and the energy improvements for which I am seeking a rebate under this Initiative, and from other sources, exceeds the total cost of the evaluations and energy improvements I have undertaken, Natural Resources Canada and Enbridge Gas Inc. may reduce my grant amount accordingly, and in exceptional circumstances, may request a full or partial refund of any grant amounts paid to me.

I understand that grants will be processed and awarded on a first-come, first-served basis until all available funds for the Initiative have been allocated, and that no payment can be made under the Home Efficiency Rebate Plus program if funding for the program is modified or terminated.

8. Miscellaneous

Except as otherwise provided, these Terms and Conditions constitute the entire agreement between myself and Enbridge Gas Inc., in connection with its subject matter and supersede all prior representations, communications, negotiations and understandings, whether oral, written, express or implied, concerning the subject matter of these Terms and Conditions. These Terms and Conditions may not be varied, amended or supplemented except by an agreement by Enbridge Gas Inc. These Terms and Conditions will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. These Terms and Conditions will ensure to the benefit of and are binding upon Enbridge Gas Inc. and myself and the respective successors and permitted assigns of Enbridge Gas Inc. and myself. These Terms and Conditions will not be assigned by myself to another person. I will, from time to time, on written request by Enbridge Gas Inc., do all such further acts and execute and deliver or cause to be done, executed and delivered all such further things as may be reasonably required in order to fully perform and to more effectively implement these Terms and Conditions. The invalidity, unenforceability or illegality of any provision in these Terms and Conditions will not, to the extent permitted by applicable law, affect the validity, enforceability or legality of any other provision of these Terms and Conditions, which will remain in full force and effect. The insertion of headings is for convenience of reference only and will not affect the interpretation of these Terms and Conditions. The terms "hereof", "hereunder", and similar expressions refer to these Terms and Conditions and not to any particular section or other part of these Terms and Conditions. The word "including" means "including without limitation", and the words "include" and "includes" have a corresponding meaning.

By checking these boxes, you agree to the terms and conditions:

- I acknowledge that my energy advisor has confirmed my proof of residency through a government issued ID (for example Driver's Licence)**
- I authorize Natural Resources Canada to share with Enbridge Gas my personal information, on a need-to-know basis, including financial information such as the amount of any grant I received under the Canada Greener Homes Grant (CGHG) program and the products and/or services for which I received the grant for the purpose of delivering the CGHG program and assessing my eligibility for the program.**

Notice to Property Owner - Avis au propriétaire

<p>This dwelling has been examined by a qualified energy advisor based on the NRCan residential energy assessment protocol's standard operating conditions. The report represents the advisor's best judgement given the information and time available. The purpose of the evaluation is to assess the energy efficiency of the dwelling; it is not meant to replace a full house inspection. NRCan makes no warranty, expressed or implied, with respect to the energy consumption figures, cost estimates or energy efficiency recommendations included in this assessment. Actual energy consumption and costs depend on a host of factors beyond the control of NRCan.</p>	<p>Un conseiller en efficacité énergétique qualifié a examiné l'habitation en se fondant sur les conditions de fonctionnement normales du protocole pour l'évaluation énergétique de RNC. Ce rapport reflète la meilleure opinion du conseiller, compte tenu de l'information et du temps dont il disposait. L'objectif de l'évaluation est d'évaluer le rendement énergétique de l'habitation. Cette évaluation ne vise toutefois pas à remplacer une inspection complète. RNC n'offre aucune garantie, explicite ou implicite, quant aux données de consommation d'énergie, aux coûts prévisionnels ou aux recommandations relatives à l'efficacité énergétique figurant dans cette évaluation. La consommation réelle d'énergie et les coûts afférents dépendent d'un certain nombre de facteurs indépendants de la volonté de RNC.</p>

Notice to Homeowner

Waiver / Consent to Disclose Personal Information

Your house has been examined by a qualified energy advisor based on standard conditions. The energy efficiency evaluation report represents the advisor's best judgment, given the information available at the time of the evaluation. THE COMPANY (The Next Level Consulting Inc./VerdaTech Energy Management & Consulting, and all associated contractors only conduct non-destructive testing or visual inspections and therefore cannot guarantee the existence, amount or type of insulation in any / all parts of the building envelope. When accessing mechanical equipment such as furnaces, boilers, hot water systems, combination systems, air conditioners, heat pumps, etc. we only access the typical access panel if required to obtain model numbers and manufacturer's information. We do not adjust any settings or access any area of the equipment that would not be typically available for an end user. This is also true for the adjustment of thermostats, pilot lights, gas valves, etc. and any failure of these pieces of equipment are purely coincidental and we take no liability for this. This includes pilot lights, thermocouples, pressure release valves, etc. Based on the provided instructions for preparing your house for an evaluation, it is the homeowner's responsibility to ensure that the fireplace is clean, the damper is closed, and no solid fuel firing appliances are operating during the assessment and all fossil fuel burning appliances are disengaged during the assessment. By signing below, you ensure that the home heating system is working prior to leaving the home for an extended period.

The purpose of this residential energy evaluation is to assess the energy efficiency of your house; it is not meant to replace a full house inspection. Natural Resources Canada (NRCAN), make no warranty, expressed or implied, with respect to the energy consumption figures, energy savings or energy efficiency recommendations included in this evaluation. Actual energy consumption and costs depend on a host of factors beyond the control of THE COMPANY.

THE COMPANY promotes the use of energy-efficient equipment bearing the ENERGY STAR® symbol and the use of trained personnel in the completion of energy upgrades. THE COMPANY does not endorse the services of any contractor nor any specific product, and accepts no liability in the selection of materials, products, contractors, or performance of workmanship.

By signing below, you acknowledge that you have read this notice and that you consent to the collection and disclosure of personal information between THE COMPANY for the sole purpose of administering your file. You authorize all information (including photos) collected about your house during the energy evaluation to be supplied to THE COMPANY for the purposes of statistical analysis and quality assurance. You also agree to the purposes of the administration of an incentive program for improvements to residential energy information according to the applicable privacy legislation. You may be contacted by a representative of NRCAN during the course of processing your file or should any quality assurance assessments of the program be undertaken.

By signing below, you acknowledge that you understand the program rebate process requirements and that all upgrades are in accordance with the eligibility criteria. THE COMPANY is not liable for the payment of any and all grants from municipal, provincial, federal or any other rebate program and takes no responsibility. The costs of the assessment is specific and only for the assessment service. Any rebates, grants or any other benefits derived from using the information of the assessment is outside of the scope / responsibility of THE COMPANY.

THE COMPANY is not responsible for the sizing of heating, cooling, ventilation or other associated equipment, this is the responsibility of the installing contractor and THE COMPANY takes no liability. Any information included in our report with this regard is purely for information purposes only.

By signing below, you acknowledge to pay VT Group and any associated companies / energy advisor the cost of the assessment and all associated fees, if applicable.
